KNOX SEED COMPANY

"Since 1917"

California

Now that spring is on its way and you're turning your thoughts to the yard and garden, we are very happy to again bring you exceptional values in the better bulbs and tubers for spring planting. We are sure that you will be more than pleased with your order when it arrives, and even more pleased when the gorgeous blooms break out this summer, for; we have specialized the last 37 years in really satisfying you, our customer. This year we have added a few more outstanding varieties of dahlias to our regular line and offer them to you with great pride.

When you buy nursery material, be sure to buy with confidence from a well-established firm. Knox Seed Company first opened its doors in 1917 and for the past 37 years has dutifully served its customers with the best in merchandise at reasonable prices. At Knox, you buy with confidence.

Each of the varieties is packaged and labeled individually. We absolutely guarantee your satisfaction with these bulbs and tubers with an immediate money-back, if not satisfied, offer. Unfortunately, we must say that quantities are limited.

Please fill the amount of each variety you desire in on the line left blank before the variety. Sorry -- no COD's. Please add 25¢ for handling so that we may assure a safe and speedy delivery.

TIGRIDIAS HYBRIDS (Tiger Flower)

For that low growing, big splash of dazzling color, this cup-shaped beauty just can't be topped. Twenty four inches off the ground, these flaring blooms make any sunny spot, one of enchantment.
